

A long, cylindrical metal rod, heavily rusted and dark brown in color, lies horizontally across the center of the frame. A small, rectangular white paper label is affixed to the rod, featuring the handwritten number '41' in black ink. The rod is positioned on a white, crumpled paper surface. In the background, a yellow surface is visible at the top, and a grey, textured surface is at the bottom. To the left, a white plastic tray with several compartments is partially visible.
